III. ZONING ITEM

1. ZAC2020-00026, Crestline

Application to change zone district boundaries from R-3 (Single Family District) to D-5 (Multiple Dwelling District) to allow the construction of townhomes, filed by Cory Johnston, the owner, for the properties located at 4424, 4428, 4432 & 4446 Montevallo Road and situated in the NE ¼ of Section 34, Township 17-S, Range 2-West, 35213 (Council District 2).

Proposed Use: New construction of 23 townhomes

The City's **Long Range Land Use Plan** identifies the property as **Residential- Low District**. The proposed rezoning request is **Not Consistent** with the **City's Long Range Land Use Plan**.

Neighborhood Recommendation:

The Executive Committee of the Crestline Neighborhood Association held a meeting on **November 23, 2020**, to review the proposed project and voted to not recommend the request. The vote was **1** approved and **4** denied. Their decision to not support the rezoning request are for the following reason(s):

1. The committee felt there are too many unknown factors (originally the project had 17 units and now they are proposing 23 units);
2. The space is too small to house 23 units;
3. Their property value has decreased due to the excess rental properties in the area and would prefer R-3 (Single Family District) zoning to remain for their neighborhood.

If approved the neighborhood recommends the following "Q" Condition(s) to be prohibited:

1. Bed & Breakfast Inn
2. Child Care Center
3. Community Garden
4. Family Day/Night Care Home
5. Family Group Day/Night Care Home
