III. ZONING ITEM

1. **ZAC2020-00026**..... **Crestline**
Application to change zone district boundaries from R-3 (Single Family District) to D-5 (Multiple Dwelling District) to allow the construction of townhomes, filed by Cory Johnston, the owner, for the properties located at 4424, 4428, 4432 & 4446 Montevallo Road and situated in the NE ¼ of Section 34, Township 17-S, Range 2-West, 35213 (Council District 2).

Proposed Use: New construction of 23 townhomes

The City’s *Long Range Land Use Plan* identifies the property as *Residential- Low District*. The proposed rezoning request is *Not Consistent* with the *City’s Long Range Land Use Plan*.

Neighborhood Recommendation:

The Executive Committee of the Crestline Neighborhood Association held a meeting on **November 23, 2020**, to review the proposed project and voted to not recommend the request. The vote was **1** approved and **4** denied. Their decision to not support the rezoning request are for the following reason(s):

1. The committee felt there are too many unknown factors (originally the project had 17 units and now they are proposing 23 units);
2. The space is too small to house 23 units;
3. Their property value has decreased due to the excess rental properties in the area and would prefer R-3 (Single Family District) zoning to remain for their neighborhood.

If approved the neighborhood recommends the following “Q” Condition(s) to be prohibited:

1. Bed & Breakfast Inn
2. Child Care Center
3. Community Garden

Staff's Recommendation to ZAC:

The proposed rezoning request is not consistent with the City's Long Range Land Use Plan, and is also incompatible with the single family residential uses located immediately east and west creating an encroachment into the single family residential neighborhood, which could possibly cause land use conflicts.
